A12 Window Wash Brush

The ultimate window wash brush bar none. Hand set pure boar hair in a mahogany block. Epoxy setting makes it last and last in soap and water. Unlike other hard woods, the mahogany block will not split or crack after repeated use in water. Flat back, no handle hole. Brush is 12" long, see below for bristle length.

A12A	4" black bristle	\$78.00
A12B	3.5" black bristle	\$72.00
A12D	2.75" white bristle	\$65.00

W12 Window Wash Brush with Handle Hole

Back to the original way windows were washed. This brush, made of pure boar hair, is perfect for gently cleaning your windows. The mahogany block is as functional as it is beautiful. Like the A12 model, the mahogany block will stand up to years of use in and around water, but also has two handle holes that accept a standard threaded handle. Can be used with our model D handle (not included).

W12A	4" bristle	\$83.00
W12B	3.5" bristle	\$80.00
W12D	2.5" bristle	\$77.00

W8B Truck & Window Brush

A multipurpose Window or Truck wash brush. Made of 100% soft boar's hair to deliver cleaning solution to your surface and gently clean. Round block takes threaded handle in two locations. A generously filled 8" round brush head surface.

W8B	3" bristle	\$50.50
